

**NEW
CITROËN BERLINGO VAN**

INSPIRED BY PRO

During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1951

Innovative, light, tough and economical, the 2CV Mini-van has always been a much-loved classic. Between 1951 and 1978 over 1.2 million were made, and they remain highly collectable today.

2016

20 years after the first Dispatch, Citroën created an all-new model for today's professionals. True to the spirit of practical innovation, it brings advances such as the Moduwork® system, hands-free sliding side doors and an XS Compact version. A range of useful technology includes the 7" touch screen and numerous driver aids.

CITROËN
Origins

Discover the models that make up Citroën's extraordinary history, from 1919 to the present day.

1934

Citroën revolutionises the automotive landscape with the Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

1939

Citroën launches the 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous Type H, above, launched in 1948.

1948

The much-loved 2CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

1955

Unveiled to a stunned public at the 1955 Paris Motor Show, the DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname 'flying saucer'.

1968

It's a golden age for light and agile vehicles like the Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

2017

Winners of the Manufacturers' Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers' Champion five times in a row; eight Manufacturers' Champion titles in WRC plus three in WTCC... Citroën has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.

P. 32 – TECHNOLOGY

P. 48 – EQUIPMENT

To watch information films about the New Citroën Berlingo Van, simply scan this code with your smartphone.

CONTEMPORARY AND DYNAMIC DESIGN

From its chunky, high set front end and large forward-set windscreen, New Citroën Berlingo Van is unmistakable. Clearly sharing design cues with Citroën's legendary commercial vehicle range, it has attitude and presence. In both lengths, the profile features flowing lines and surfaces that are strong, but never aggressive. Wide sliding doors and vertical rear lamps provide clear hints of its ingenious practicality and hard working character.

THE WORKER

When you need to carry all kinds of equipment and your colleagues to different sites, the Worker is ready. It features the 3-seat modular Extenso® cab and sure-footed traction, thanks to Grip Control with Hill Descent Assist. Large wheels, extra ground clearance and a protective plate under the engine make it tough and versatile for all kinds of terrain. A payload of up to 1 tonne, alongside the Overload Indicator, a 220v power socket and handy extra load area LED lighting complete a robust, practical package.

THE DRIVER

Designed for professionals who make long journeys or lots of trips around town, the Driver version focuses on real comfort. The driver's seat provides lumbar adjustment, acoustic enhancements reduce exterior noise to a minimum, and there are plenty of innovative driver aids. The all-new Surround Rear Vision system, Automatic Electronic Parking Brake, cruise control and Citroën Connected Navigation are just a few of the highlights.

M

2 LENGTHS

MADE FOR EVERY TASK

XL

For ultimate practicality, New Citroën Berlingo Van is available in two body lengths. The standard M version is 4.40 m long, while the extra roomy XL is 4.75 m long. Simply choose the model that fits your working challenges.

..... **M 4.40 m**

..... **XL 4.75 m**

EASY ACCESS SLIDING SIDE DOORS

You can choose one or two wide sliding side doors on New Citroën Berlingo Van. Both versions make loading and unloading much easier, wherever you're parked. Each sliding side door is 675 mm wide and 1072 mm high to accommodate really large packages.

CARRY UP TO 1000KG

New Citroën Berlingo Van offers between 3.30m³ and 4.40m³ (with Extenso[®] cab), depending on whether you choose the M or XL version. Maximum payload ranges from 650kg to 1000kg. At the rear, 60/40 split rear doors open to a full 180°, and the width between rear wheel arches ensures that you can carry up to 2 Euro pallets. As an intelligent option, you can specify the Overload Indicator, which warns you if the payload has been exceeded.

LOADING PACK

LOAD SECURING RINGS

ENHANCED LED LIGHTING

OVERLOAD INDICATOR

DESIGNED TO MAKE YOUR DAY EASIER

Long objects are no problem, thanks to the opening load flap behind the side passenger seat in Extenso[®] cab versions.

For ultimate versatility, New Citroën Berlingo Van can be fitted with the Loading Pack, which includes enhanced LED lighting, 12V socket, and 4 extra load securing rings half way up the load space, complementing the 6 rings already fitted to the floor as standard. Safe, secure loads are assured.

 UP TO 1000kg	 1.241m	 UP TO 4.40m³
 UP TO 1.5t	 UP TO 3.44m	

EXTENSO® CAB

3 SEATS PLUS FLEXIBILITY

The modular Extenso® cab adapts to your needs as they change. The side passenger seat can be fully retracted to accommodate objects up to 3.09m long in the M version, and 3.44m in XL.

1 – Perfect for your team, the Extenso® cab accommodates 3 people in the front.

2 – A folding central seat back creates your mobile office, complete with pivoting writing table.

3 – Fold the side passenger seat down and you'll find an additional space that's ideal for transporting fragile loads. This also increases load volume to 3.80m³ in M models, and 4.40m³ in XL versions.

The Extenso® cab has yet another clever solution, a storage space that can be securely padlocked under the central seat.

NEW BERLINGO CREW VAN

COMFORT FOR 5

When you're working as a team, the modular, spacious Crew Van is a perfect fit.

1 – Available in XL size, the 2nd row of seats provide class leading comfort and legroom.

2 – Crew Van can accommodate really long loads when you retract the 2nd row side seat and front passenger seat.

3 – The load space is really flexible. You can fold flat the 2nd row seats and slide the mesh bulkhead forward to the back of the front seats. An access flap in the bulkhead allows a maximum load length with the front passenger seat folded flat.

** Glazed doors are optional and may change the tax status of the vehicle. Please check with your local HM Revenue & Customs office for further details.*

INNER
CALM

EASY
LIVING

LESS
STRESS

ALL ROUND RELAXATION

Designed to offer unrivalled comfort and wellbeing for each passenger, **CITROËN ADVANCED COMFORT®** provides the best for body and mind. Soft-touch contact points and low noise levels create a sense of calm, while interior space is designed to be stylish and really versatile. The overall ambiance makes journeys feel effortless and intuitive technology gives control at your fingertips of the practical and unique features.

SMOOTH
OPERATION

New Citroën Berlingo Van is fitted with plenty of soundproofing, so it's an exceptionally quiet place to be.

RELAX AT WORK

Spend time in New Citroën Berlingo Van and you'll quickly appreciate its relaxed, comfortable ride on all surfaces. A high driving position, refined suspension and a well insulated interior all contribute. Inside, carefully designed, generously sized seats make a difference too, offering height and lumbar adjustment.

— THE MOBILE OFFICE*

Inside New Citroën Berlingo Van you'll find a ready-made everyday work space. Your mobile office can include an optional 220v socket for charging your computer, plus a secure Top Box for storing it. You can charge your smartphone wirelessly, and there are two USB ports plus a further two 12V sockets.

In the Extenso® cab, working on the move is easier still, thanks to the pivoting writing table, which you can use simply by folding the central seat back.

** Dependent on version.*

STORAGE SOLUTIONS ALL ROUND*

New Citroën Berlingo Van is practical by nature and designed to make working life simpler. In the front there are plenty of clever storage spaces for your day-to-day things, both big and small. There's a really useful storage box under the driver's seat, the Top Box with room for a 15" laptop, a lower storage compartment, an overhead storage unit, large door pockets and cup holders too. In all, there are 113 l of easily reached storage space.

** Dependent on version.*

USEFUL TECHNOLOGY ON YOUR TEAM

With 20 driving aids and 4 connectivity systems, New Citroën Berlingo Van leads its class for practical, advanced technology. Whatever your day holds, your vehicle will make it simpler, more relaxed and safer.

A FIRST: SURROUND REAR VISION TECHNOLOGY

Transforming visibility as you drive and during manoeuvres, the Surround Rear Vision system is an innovation you'll appreciate every day. With a 5" colour screen placed in the rear view mirror location, the system uses two cameras to give you three different views of your immediate surroundings, in real time.

1 – A full and clear view of your surroundings behind the vehicle whilst driving.

2 – Images of the passenger side surroundings, to eliminate the blind spot on your left hand side.

3 – The reversing camera, to see the area behind you whilst manoeuvring in reverse gear.

1

2

3

CONNECTED NAVIGATION

Citroën Connect Nav is a 3D connected navigation system with all the features that matter. It brings you voice recognition control of Navigation, Telephone and Media functions, so you can keep your eyes on the road at every moment. You also benefit from connected services such as TomTom Traffic for real time traffic information. This brings you details of service stations, car parks and weather conditions.

MIRROR SCREEN

Get the most from your compatible smartphone apps through the 8" touch screen with Apple CarPlay™ and Android Auto functionality.

FAILSAFE GRIP FOR TOTAL CONTROL

Standard equipment on the Worker version, Grip Control with Hill Descent Assist minimises slip and keeps you in control on steep slopes. 30 mm more ground clearance, a protective plate under the engine and larger wheels with Mud & Snow tyres complete a confidence inspiring package.

ON COURSE, WITH TRAILER STABILITY CONTROL

A function of the ESP system on vehicles fitted with a tow bar, Trailer Stability Control detects swaying of the trailer and uses the brakes to safely restore balance.

20 DRIVER ASSISTANCE SYSTEMS

SURROUND REAR VISION

Using two cameras and a 5" colour screen located in place of the rear view mirror, this system brings you a range of real time images. These include the area around the rear of your vehicle, the 'blind spot' around the passenger side and a reversing camera function.

COLOUR HEAD UP DISPLAY

This safety innovation allows you to keep your eyes on the road whilst viewing key driving information. Using a special transparent screen, it projects current and recommended speed, speed limiter setting, navigation instructions and distance alert into your field of vision.

ADAPTIVE CRUISE CONTROL

Using a camera, Active Cruise Control detects the vehicle in front and automatically maintains a safe distance, selected in advance by the driver. The Stop function, available with the EAT8 gearbox will also stop your vehicle completely.

ACTIVE LANE DEPARTURE WARNING

The system uses a camera to detect the accidental crossing of road markings when the indicator has not been activated. It then helps gently steer the vehicle back into your lane.

EXTENDED TRAFFIC SIGN RECOGNITION AND RECOMMENDATION

This innovation uses a camera to detect signs, so that you can adjust your cruise control or speed limiter to match legal and safe limits. It also detects Stop, One Way and No Overtaking signs.

DISTANCE ALERT

If there's a risk of collision with the vehicle in front, or a pedestrian is detected in your lane, Distance Alert sends you visual and audible warnings.

ACTIVE SAFETY BRAKE

This safety feature minimises the risk of collisions. Working from 3mph, it detects fixed and moving obstacles and pedestrians. If a collision risk is detected, Active Safety Brake sends an alert to the driver. If they don't react, the system brakes automatically.

COFFEE BREAK ALERT

When you've been driving continuously for 2 hours at 40mph or more, this system lets you know that it's time to take a break, with an audible warning.

DRIVER ATTENTION ALERT

Analysing changes in direction relative to road markings, Driver Attention Alert senses driver alertness and sends a warning when necessary. It's a particularly useful safety feature on roads where the speed limit is over 40mph.

BLIND SPOT MONITORING SYSTEM

Ideal when you're travelling on motorways, this monitoring system alerts you to vehicles in your blind spots, using a bright orange LED in the corner of both door mirrors.

20 DRIVER ASSISTANCE SYSTEMS

GRIP CONTROL WITH HILL DESCENT ASSIST

Here's a traction control system that optimises front wheel grip for all kinds of road surfaces. The dashboard-mounted dial allows you to select one of 5 modes: Standard, Snow, Sand, Mud and ESP OFF. Additionally, Hill Descent Assist holds your vehicle at a safe speed on steep slopes. You can activate it from a button on the centre console and it works while moving forward and in reverse.

TRAILER STABILITY CONTROL

On vehicles fitted with a tow bar, Trailer Stability Control works with the ESP to stabilise your trailer if any swaying is detected.

KEYLESS ENTRY AND START

Now you can lock, unlock and start up without having to get your key out. The vehicle recognises you as you approach.

AUTOMATIC ELECTRONIC PARKING BRAKE

The Electric Parking Brake works automatically when the engine is switched off and releases when you move away. It can be used manually using the control paddle.

HILL START ASSIST

Designed to prevent you from rolling back when releasing the brake pedal on steep slopes, Hill Start Assist works on gradients over 3%. The system holds your vehicle for about 2 seconds, so you can move smoothly from brake pedal to accelerator.

AUTO INTELLIGENT BEAM HEADLIGHTS

Seamlessly switching between main and dipped beam when other vehicles are detected, this feature makes safe night driving more relaxing.

CORNERING LIGHT FUNCTION

By providing additional light beams on the inside of bends, Cornering Light Function increases visibility and safety on corners and at junctions.

REVERSING CAMERA

Everyday parking manoeuvres are transformed, with clear visual assistance. The moment you select reverse, the 8" touch screen displays the view behind you, complete with visual guides.

FRONT, REAR AND SIDE PARKING SENSORS

This all-round system informs you about obstacles using visual markers on the 8" capacitive touch screen and an audible alert.

OVERLOAD INDICATOR

An exclusive innovation, the Overload Indicator warns you if your vehicle's payload is exceeded.

DYNAMIC, ADVANCED ENGINES

New Citroën Berlingo Van is available with a cutting edge choice of PureTech* petrol and Blue HDi diesel engines. Efficient and more economical than ever, they're flexible, refined and perfect for the demands of urban trips and longer journeys. Specific engine options also benefit from the latest generation EAT8 automatic gearbox, with 8 speeds and steering wheel mounted paddle shift. It's an advance that brings real driving pleasure wherever you go.

All equipment described in this brochure represents the technology of New Citroën Berlingo Van. This brochure is based on an international version therefore some images might not be representative of models sold in the UK. To know in detail equipment that is available as standard or optional, please refer to the Product Specifications brochure or visit citroen.co.uk

DIMENSIONS

Measurements in millimetres.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën van has the benefit of a 3 year* warranty package, plus a 5 year anti-perforation** warranty and a 2 year paint warranty.

• CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both van and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details please contact Citroën at <http://citroen-uk-en.custhelp.com>

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on vans sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 100,000 miles for vans.

** Against all internal to external perforation to bodywork or underbody.

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free outstanding manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.

ADBLUE TANK CAPACITY Litres (gallons)	17 (3.74)											

(1) Without driver. Kerb weight is calculated for a European base specification vehicle including oil, water, lubricants, tools, spare wheel and 90% full fuel tank. Weights may change with the addition of equipment.

(2) Maximum indicative payload is calculated as the difference between GVW and kerb weight. However, due to manufacturing tolerances and differences in the specification of UK vehicles, the mass in service figure provides a closer indication of the vehicle weight and therefore enables a more realistic payload to be calculated. An individual vehicle must be weighed to establish the exact kerb weight and payload applicable to that vehicle. It is the responsibility of the driver to ensure the vehicle is operated within the legal limits

(3) Within limits of GVW.

(4) Maximum recommended towing weight within limits of GTW.

CITROËN 3 YEARS OF WARRANTY

All vehicles first registered in the UK and purchased from a UK Citroën Dealer benefit from a Citroën 2 - Year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the Citroën Dealer Network in the UK. This additional warranty carries a mileage limit of 100,000 miles from first registration and is dependent upon the manufacturer's recommended servicing being carried out at the specified time or distance intervals. For full terms and conditions, please consult your Citroën Dealer in the UK.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year, from date of vehicle registration, and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both van and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. You can also purchase additional Citroën Assistance via your local Citroën Dealer at any time. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN FINANCIAL SERVICES

Free2Move have a number of financial products designed to help you afford the Citroën of your choice. We can arrange a finance plan quickly and conveniently. What's more, it will be as suited to your needs as your new Citroën. Our finance plans combine all the know how of a company that has an extensive knowledge of the car market with a financial service you can trust. Tell your Citroën dealer what you want and let us do the rest. Just ask for a free, no obligation quote. Written quotations are available on request from Citroën Financial Services, Quadrant House, Princess Way, Redhill RH1 1QA. Finance is subject to status. Over 18's only, a guarantee may be required.

FREE2MOVE CONNECT FLEET

All New Berlingo Vans are 'connected-ready' so that you can benefit from any of our connected services without the need for additional hardware. Free2Move Connect Fleet offer the following telematics packages to manage your fleet:

- Pack 1: Fleet Management £10 + VAT per vehicle per month
- Pack 2: Eco-driving £11 + VAT per vehicle per month
- Pack 3: Geolocation £12 + VAT per vehicle per month

Further details are available at www.free2move-lease.co.uk/our-services/connect-fleet

CITROËN SERVICING

Available up to one year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing package enables you to pay in advance for:

- ^ Scheduled Servicing^
- ^ Annual Service(s)^ for vehicles with a two year service plan
- ^ Brake Fluid Replacement^

This package can be personalised depending on your needs, with options ranging from 12 to 60 months and 10,000 to 100,000 miles.

TERMS AND CONDITIONS

Every endeavour has been made to ensure that the information, details and descriptions set out in this literature are correct at the time of going to print. It is our policy to continually improve our vehicles in every way and we reserve the right to modify our vehicles' price, specification (including colour), equipment, accessories and characteristics or to discontinue any model, without notice, at any time. To avoid any misunderstandings you are advised to check with your Citroën dealer the specification (including colour), equipment accessories and equipment relating to any Citroën vehicle and the exact cost and availability prior to ordering. Where a feature is described as an option in this publication it should be assumed that it is at extra cost unless specifically stated otherwise.

Issued by Sales and Marketing, Citroën UK Ltd, Pinley House, 2 Sunbeam Way, Coventry CV3 1ND.

For further information call Citroën Fleet Connect on 0800 023 4000 or visit our website at www.citroen.co.uk.
