NEW CITROËN C5 AIRCROSS SUV
During the 90s, Le Tone had a major hit, “Joli Dragon”, and devoted himself to music for years before progressively moving towards illustrative art. Since 2011 his creations have become an exhibit in various places such as the Pompidou Centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

Citroën revolutionises the automotive landscape with the Traction Avant. The famous name relates to its ground-breaking front wheel drive engineering.

The much-loved 2CV is created as a “safe and economical vehicle, able to carry 4 people on board and 50 kg of luggage”. More than 5 million are made.

It’s a golden age for light and agile vehicles like the Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use. Unveiled to a stunned public at the 1955 Paris Motor Show, the DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname ‘flying saucer’. Under the skin it’s just as advanced.

Winners of the Manufacturers’ Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers’ Champion five times in a row; eight Manufacturers’ Champion titles in WRC plus three in WRC… Citroën has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.

Experience Concept reinvents the prestige saloon. A bold, fresh silhouette, a high-end stylish interior and the latest technology combine to inspire the world of automotive design.
a Citroën for everyone

Around town or across the country, every Citroën provides pure comfort and a welcoming environment. It’s always been this way.
new Citroën C5 Aircross SUV with 10 key strengths

DYNAMIC DESIGN
Strong and assertive, New Citroën C5 Aircross SUV features large wheels, raised ground clearance and the iconic Airbump®. It has an SUV presence without aggression.

PAGES 12-13

30 EXTERIOR COMBINATIONS
With 7 body colours, optional black roof, 3 colour packs and 4 alloy wheel designs, it’s easy to create your perfect personal look.

PAGES 16-17

SUSPENSION WITH PROGRESSIVE HYDRAULIC CUSHIONS®
Exclusive to Citroën, this system delivers a real flying carpet ride.

PAGES 28-31

ADVANCED COMFORT SEATS
Uniquely welcoming and comfortable, these seats make the interior feel more like a contemporary lounge.

PAGES 32-33

3 INDIVIDUAL REAR SEATS
Welcome to the only SUV in its class with three individual full width rear seats.

PAGES 36-37

UNRIVALLED SPACE AND FLEXIBILITY
With individual rear seats that slide, recline and fold away altogether, this is the most flexible SUV in its class.

PAGES 38-39

UP TO 720L OF BOOT SPACE
Roomy and versatile, New C5 Aircross SUV has the biggest boot in its class.

PAGES 40-41

ADVANCED CONNECTIVITY
No fewer than 6 easy to use systems on board.

PAGES 46-49

20 DRIVING AIDS
Welcome to a haven of advanced safety, including Highway Driver Assist – a big step towards semi-autonomous driving.

PAGES 52-55

NEW EAT8 AUTOMATIC GEARBOX
A great balance of efficiency and driving pleasure.

PAGES 56-57
New Citroën C5 Aircross SUV is effortlessly comfortable, with class-leading flexible space. The secret of its everyday functionality and relaxed ambiance is the unique Citroën Advanced Comfort® programme.
With a muscular profile and plenty of attitude, New Citroën C5 Aircross SUV redefines the feel of its class. Imposing and bold, it’s elegantly contemporary in every detail, without a trace of arrogance. At the front, there’s the unmistakable and proud double chevron design and powerful curved side panels. The 360° glazed surfaces are highlighted by a dynamic chromed ‘C’ motif. Rear lights feature four rectangular 3D LED modules, which emphasise the vehicle’s broad stance.
An SUV needs to take varied and difficult surfaces in its stride. New Citroën C5 Aircross SUV provides secure traction in all conditions thanks to Grip Control. This ingenious system has five modes, which you can select instantly using a dial on the centre console. For safety and control while travelling downhill there is also Hill Descent Assist, which minimises the risk of skidding or unwanted acceleration as you descend. It works in both forward and reverse gears as well as neutral.

*Available as an option on selected versions.
With 7 body colours and a Perla Nera Black bi-tone option, New Citroën C5 Aircross SUV is a very individual choice. There are also 3 colour packs: Silver Anodised, White Anodised and Red Anodised, which include stylish inserts on the front bumper, the Airbump® and under roof bars. A range of 4 stylish alloy wheel designs adds even more personalisation potential.
the interior, refined

The moment you open the door, you’ll sense it. New Citroën C5 Aircross SUV welcomes you with a rare mix of refined comfort and space. Settle in and you’ll quickly appreciate the high driving position, great visibility and prestigious feel. The horizontal lines of the dashboard subtly incorporate a range of useful technology, such as the 8” touch screen. Carefully selected colours and tactile materials such as cloth and Nappa leather are inspired by quality luggage and the world of travel. Gloss black details and chrome inserts emphasise the inspired attention to detail.
Expressing yourself on the inside is made easier thanks to a range of interior ambiances.

The standard ambiance on Feel versions is understated and refined, with Grey Silica Cloth seats.

1 - Refined and subtle, the Metropolitan Ambiance brings you Grey Grained leather and Graphite cloth seats with a lighter grey band, combined with a centre console and dashboard top in grey, standard on Flair and Flair Plus.

2 - The ultimate choice is the Hype Brown Ambiance. This has Brown Nappa Leather with black leather effect cloth seats and a light grey Alcantara band. Centre console, dashboard top and instrument panel visor are brown. A Black and Brown full grain leather steering wheel adds a real touch of luxury.
ALL ROUND RELAXATION

Designed to offer unrivalled comfort and wellbeing for each passenger, CITROËN ADVANCED COMFORT® provides the best for body and mind. Soft-touch contact points and low noise levels create a sense of calm, while interior space is designed to be stylish and really versatile. The overall ambiance makes journeys feel effortless and intuitive technology gives you fingertip control of the practicalities and unique features.
Bright, welcoming and typically Citroën, New Citroën C5 Aircross SUV is special on the inside as well as the outside. Exceptionally spacious, the interior is a haven of calm, thanks to double thickness laminated front windows with an insulating layer. Wind and road noise are kept to an absolute minimum. Enhancing the sense of wellbeing even further with the new Air Quality System [AQS]. Designed to detect environmental pollution, it automatically filters and purifies air entering and circulating through the cabin.
The panoramic glass sunroof makes every journey special whether it’s open or closed. Filling the interior with natural light, it contributes to the epic views enjoyed from New Citroën C5 Aircross SUV. Powered by two electric motors with a safe auto-reverse function, it’s easy to use and also features a handy blind for fine-tuning brightness levels.

*Standard on selected versions."
the flying carpet effect

Exclusively developed by Citroën, the suspension with Progressive Hydraulic Cushions® redefines pure driving comfort. Smoothing away both large bumps and minor surface imperfections, it makes New Citroën C5 Aircross SUV feel like a flying carpet. Stability and dynamics are also assured. Welcome to the best of both worlds.
When big bumps are encountered, the hydraulic cushions keep suspension movement controlled and progressive. With minor road imperfections, the cushions simply absorb it all, giving that relaxing flying carpet ride.

Ordinary suspension makes do with a shock absorber, a spring and a mechanical bump stop. With Progressive Hydraulic Cushions® you get special hydraulic cushions on either side, for rebound and compression. The result is a ride that takes everything in its stride, smoothly.

bumps are history
Advanced Comfort seats*

Taking inspiration from contemporary furniture, the seats in New Citroën C5 Aircross SUV provide unmatched lounge-like comfort on the move. With broad cushions and seat backs, they combine high density foam at the heart of each seat and a thick, textured foam at the surface. Perfect support and softness are guaranteed, on the shortest trip and the longest adventures.

*Standard on Flair and Flair Plus.
The front seats in New Citroën C5 Aircross SUV provide premium level comfort as well as being heated. The driver seat has a multi-point massage system that uses 8 pneumatic pockets fitted in the seat back. Using the 8” touch screen, you can choose between 5 programmes that combine lumbar, back and shoulder massage. With front seat height adjustment, fully adjustable head rests and all seats carefully shaped for optimum support, this is a seriously relaxing SUV.

* Present with Nappa Leather, available on selected versions.
With three individual rear seats of the same width, New Citroën C5 Aircross SUV provides the same level of comfort and space, wherever you’re sitting. With 5 different reclining positions and the ability to slide 150mm, they are ultimately accommodating. When you need serious carrying capacity, the rear seats fold to leave a perfectly flat floor.
You can reconfigure the roomy, flexible interior of New Citroën C5 Aircross SUV to suit your needs. Sliding, reclining and foldable rear seats make it easy.
New Citroën C5 Aircross SUV has a roomy 580l boot, but this is just the beginning of the story. Move the rear seats to their furthest forward position and you’ve got up to 720l, giving you the most generous boot in its class. When rear seats are folded there’s an amazing 1630l, and thanks to a clever folding mechanism the boot offers 2 perfectly flat floor heights. Accessing all this flexible space is effortless too, because there’s a new hands-free tailgate which you can open and close simply by moving your foot under the rear bumper.

room for everything
Part of being truly comfortable when you’re travelling is having a perfect place for everything you need. New Citroën C5 Aircross SUV has plenty of useful storage solutions. The large compartment under the central armrest has a section that can carry a 1.5L bottle, whilst the glove box and door pockets are roomy too. You’ll also appreciate the large storage area at the front of the centre console, which features ingenious magnetic wireless charging for a smartphone.
New Citroën C5 Aircross SUV makes sure your digital world is always with you, offering 6 advanced connectivity systems. In addition there are 20 driving aids* dedicated to safety and making life on the move easy and enjoyable.

Giving you great access and control to your systems, there’s a crystal clear 12.3” TFT digital instrument panel, which has lots of potential for personalisation.

* Dependent on version.
The latest 8” touch screen brings you the instant responses and clear usability of your smartphone. Ideally placed for safe use, it lets you access the advantages of Citroën Connect Nav*, a 3D connected navigation system. This innovative feature brings you real time traffic information, weather reports, plus the location and price of car parks and fuel stations. You can search for points of local interest and get advanced warning of any problems ahead. In other words you get everything you need to enjoy total peace of mind, everywhere.

* Standard on selected versions.
ConnectedCAM Citroën®

Located at the base of the interior rear view mirror, this innovative camera system uses full HD GPS technology with a built-in 16 GB memory card. It allows you to take photos or video footage, which you can download by email and add to your social media. A major safety feature, it saves video recordings in the event of an accident.

* Dependent on smartphone model
** Standard on selected versions

innovative driving apps

MIRROR SCREEN*

This intelligent app uses the touch screen to mirror your smartphone, displaying all driving compatible apps. Depending on your exact phone, apps can be controlled by voice, so you can keep your eyes on the road. The system is compatible with Android Auto, Apple CarPlay™ and MirrorLink®.
Highway Driver Assist* is a big step towards semi-autonomous driving, allowing you to programme New Citroën C5 Aircross SUV to manage important elements of the journey on any road. Simply select a speed above 19 mph and the system will maintain your position in lane by following road markings. Using the Adaptive Cruise Control with Stop&Go function, New Citroën C5 Aircross SUV can then stop and move off again to match the movements of the vehicle in front. Now you no longer need to constantly manage speed and direction during journeys, as your vehicle is safely in control. For Highway Driver Assist to keep working, your hands need to be on the steering wheel, and naturally you can take over control at any time.

* Standard on selected versions.
20 safety and driver aid systems

**HIGHWAY DRIVER ASSIST**
This major advance allows New Citroën C5 Aircross SUV to control key driving tasks during any journey. The system maintains your position and speed in a chosen lane, and manages stopping and restarting to exactly match the movements of vehicles in front.

**ADAPTIVE CRUISE CONTROL WITH STOP&GO FUNCTION**
Using a camera, this system detects the vehicle in front and automatically maintains a safe distance chosen by you. Using the brake and accelerator, it can safely stop and move off without any driver intervention. Adaptive Cruise Control with Stop&Go function is available with the EAT8 automatic gearbox.

**ACTIVE SAFETY BRAKE**
This is a reassuring safety feature that minimises the risk of collisions. Working from speeds of 3 mph, it detects both fixed or moving obstacles as well as pedestrians. If it detects a collision risk, Active Safety Brake sends an alert to the driver, and if they don’t react, the system stops the vehicle automatically.

**COFFEE BREAK ALERT**
When it’s time to take a break, this system sends you a warning. It activates once you’ve been driving for 2 hours continuously at more than 40 mph.

**ACTIVE LANE DEPARTURE WARNING SYSTEM**
Using a camera to recognise different road markings, this system gently steers your vehicle back into the correct lane if it detects a change in direction without the indicators being used.

**DRIVER ATTENTION ALERT**
By evaluating changes in direction relative to road markings, Driver Attention Alert can analyse driver alertness and send a warning when necessary. It’s a useful safety feature, especially on roads where the speed limit is over 40 mph.

**ACTIVE LANE DEPARTURE WARNING SYSTEM**
Really useful on multi-lane roads, this monitoring system warns you if there’s a vehicle in your blind spots, using an orange LED in the corner of the door mirror. If you’re heading for the detected vehicle, it will correct your position automatically.

**INTELLIGENT BEAM HEADLIGHTS**
When vehicles are detected coming towards you or overtaking, Intelligent beam headlights will switch from main to dipped beam. It ensures you always have the right lighting for night driving.

*Dependent on version
**HILL START ASSIST**

Designed to prevent unwanted movement when you release the brake pedal on slopes, Hill Start Assist works on gradients over 3%. It holds the vehicle for about 2 seconds, giving you time to move calmly from brake to accelerator pedal.

**Grip Control®**

Here’s a traction control system created to optimise front wheel grip for every kind of road surface. The dashboard-mounted dial makes it easy to select one of the 5 modes: Standard, Snow, Sand, Mud and ESP OFF. Hill Descent Assist holds your vehicle at a low, controllable speed on steep slopes. You can activate it from a button on the centre console and it works in forward and reverse gears.

**FOG LIGHTS WITH STATIC CORNERING FUNCTION**

Providing an additional light beam on the inside of bends, this innovation makes tricky bends and junctions safer and easier to navigate.

**360 VISION**

Manoeuvres are much easier using 360 Vision, because it shows you an overhead 360° image of your vehicle’s immediate surroundings. The technology offers 3 different views and selects the ideal one for each situation. You can also choose the right view manually.

**Trailer Stability Control**

When you have towing equipment fitted, this feature works with the ESP system. If it senses the trailer beginning to sway, it uses the vehicle’s brakes to maintain stability.

**PARK ASSIST**

Perfect for parallel or bay parking, this system can detect a space, then automatically engages the gears and controls the accelerator and brake.

**Reversing Camera with Top Rear Vision**

Engage reverse and the camera displays a 180° rear view on your touch screen. Additional coloured lines make it clearer to see obstacles, and when you approach them, the camera zooms in automatically.

**Electric Parking Brake**

Safe and easy, the Electric Parking Brake applies automatically when the engine is switched off and releases when you move away. You can also use it manually using the control paddle.

**Keyless Entry and Starting**

Convenient and ingenious, you can now lock and unlock without getting your key out. The vehicle recognises you as you approach.

**Extended Traffic Sign Recognition and Speed Recommendation**

Keeping you fully informed of speed limits at all times, this innovation uses a camera to detect signs, so that you can adjust your cruise control or speed limiter to match. It also detects Stop, One Way and No Overtaking signs.

**20 safety and driver aid systems**

**Park Assist**

Perfect for parallel or bay parking, the system can detect a space, then automatically engages the gears and controls the accelerator and brake.

**Electric Parking Brake**

Safe and easy, the Electric Parking Brake applies automatically when the engine is switched off and releases when you move away. You can also use it manually using the control paddle.

**Electric Parking Brake**

Safe and easy, the Electric Parking Brake applies automatically when the engine is switched off and releases when you move away. You can also use it manually using the control paddle.
In addition to the 6-speed manual gearbox, New Citroën C5 Aircross SUV can be specified with the latest EAT8 automatic with 8 speeds. More fuel efficient than ever, it’s also a joy to use, providing incredibly smooth shifts between gears. You can also change gears manually if you want to, using the steering wheel mounted paddles, slipping seamlessly back to automatic whenever you wish.

smooth changes extra efficiency
New Citroën C5 Aircross SUV gives you a choice of efficient, powerful engines. Featuring the very latest advances for maximum driving pleasure, there are two petrol options and three diesels, with power ranging from 130 hp to 180 hp.

2018 International Engine of the Year Award for the PureTech 110 Petrol and PureTech 130 Petrol engines in the 1.0 L to 1.4 L engines category, awarded by the jury of the International Engine of the Year Awards, organised by Engine Technology International.

**NEW CITROEN prefers**

**CITROËN MAINTENANCE**

From modular maintenance, replacing worn and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorized Repairer.

---

**CITROËN SERVICING**

Available up to 1 year from your vehicle’s registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle’s servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

---

**CITROËN MOT TEST**

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Accredited workshops know your Citroën best, so if your vehicle’s MOT Test is due, why not contact your local Citroën Dealer first? We’ll analyse your vehicle and highlight any areas that need some additional attention. Contacted by 500,000 as accredited MOT Testers. Plus, whilst your vehicle is with us, we’ll carry out a free outstanding manufacturer diagnostic test, check for any new technical updates and carry out new free theft. Instead of getting your test done by the people who really know your Citroën.

---

**CITROËN WARRANTY**

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

- **CITROËN WARRANTY**
  - Every new Citroen car has the benefit of a 3 year *warranty package, plus a 12 year anti-perforation**, warranty and 3 year paint warranty.
  - **CITROËN ASSISTANCE**
    - In response to a free telephone call in the UK, Citroen Assistance brings expert roadside assistance to you as an emergency. It comes free of charge for a full year and extends 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery to your home or local dealer, a roadside upgrade, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to vehicles covered by the new vehicle warranty, and excludes intermediate stages, such as swapping out of fuel, breakdown, loss of keys, lockouts, road traffic accidents and puncture/wheel changes. For more details please contact Citroën at http://www.citroen.co.uk/citroenassistance.
    - **2 year, unlimited mileage. Note: for customer options. If your vehicle’s warranty expired, only on cars covered from Citroën UK Limited. Note: Dealer provided warranty is limited to 3 years/60,000 miles.**
    - **Against all external and internal pollution to help protect a vehicle.”

Citroën and you

FINANCE AND INSURANCE SHOULD REFLECT YOU AND YOUR NEEDS, JUST AS YOUR CHOSEN CAR DOES. HERE ARE THE PRODUCTS THAT AIM TO DO JUST THAT.

CITROËN FINANCIAL SERVICES

• PURCHASE PLAN
Own your vehicle with this flexible package designed to fit your budget.

• ELECT 3
A new Citroën car every two or three years with monthly payments structured to suit your budget.

• ELECT 4
Enjoy the convenience of a new car without the stress and hassle of ownership.

To find out more about Citroën products and services, go to www.citroen.co.uk or contact your Citroën dealer.

Motability

All our vehicles are available on the Motability scheme which includes insurance cover. To find out more, please contact your local dealer to speak to a Motability specialist or visit citroen.co.uk/motability

FOR BUSINESS USERS

FREE2MOVE

• HIRE PURCHASE
A tried and tested finance package that allows you to own your vehicle.

• BUSINESS LEASE
An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

• LEASE PURCHASE
Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

• CONTRACT HIRE
A non-ownership finance solution that keeps costs fixed and risks low.

For more information on Citroën fleet and business sales, please call Citroën fleet connect on 0800 023 4000 or look us up at http://business.citroen.co.uk

CITROËN INSURANCE

• INSTANT COVER
To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days’ comprehensive car insurance, for free!

• MOTOR INSURANCE
Citroën Insurance has been designed specifically for our vehicles. You don’t just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA.
